PALLET JACK

WALKIE STACKER

ORDER PICKER

<i>Best Use Case</i>	Moving loads across the floor	Stacking in tight spaces	Picking individual items
<i>Max Lift Height</i>	3 to 8 inches	Up to 189 inches	Varies by model
<i>Best For...</i>	Fast dock work and unloading trailers	Organizing backrooms and 2-3 level stacking	E-commerce and split-case fulfillment
<i>Watch For...</i>	Cannot stack or lift vertically	Needs enough room for turn radius	Not built for heavy dock or trailer work
